First Announcement of BEST 2010

BEST 2010 provides the unique opportunity to discover new science, technologies, processes, and applications, dedicated to researchers in science as well as product developers in industry, by bringing together three recognised symposia at the same time and in one place.

Summit of three established symposia

30th International Symposium on the Separation of Proteins, Peptides and Polynucleotides (ISPPP)

8th European Symposium on Biochemical Engineering Science (ESBES)

3rd International Symposium on Biothermodynamics (ISB)

Coordination Group

<i>Rainer Bischoff</i>	University of Groningen/NL
<i>Jochen Büchs</i>	RWTH Aachen/D
<i>Reinhard Ditz</i>	Merck KGaA, Darmstadt/D
<i>Sophia Hober</i>	Royal Institute of Technology, Stockholm/S
<i>Alois Jungbauer</i>	University of Natural Resources and Applied Life Sciences, Vienna/A
